

ACT EU multi-stakeholder platform kick off workshop

Pannel –Supporting non-commercial Clinical Trials

- Situation in Spain and EU
- Needs of academic/non-pharma sponsors
- How to build a sustainable platform
- How to transform the EU environment for CT

Act EU should be an enabler for non-commercial sponsors by acting as a representation platform that aims to facilitate the needs stated and promoting and coordinating communication actions and campaigns and dissemination actions for all stakeholders involved in CT.
